

Welcome Audubon Elementary Families to your Counselor's Corner...

I am Mrs. White your school counselor. I am here to help provide guidance to better support student needs through a developmental and preventative approach. With the assistance of faculty, staff, students and parents it is my hope that a caring school atmosphere is the setting which will enable our students to develop emotionally, socially and academically at a higher level. In addition, I will do what I can to help support students to enhance the quality of their total school experience.

Audubon ES students are always free to stop by my office or simply tell their teacher that they need to see me as I continue to have an open door policy with students, teacher and parents. Older students sometimes write me notes which helps to prompt me visiting with them. If you have any questions, please feel free to contact me at school, 225-272-2620 or directly in my office at 225-226-9540. Our school fax number is 225-272-2581.

Our school partners with I CARE to support students with counseling and referral services. I can communicate requests from parents to Ms. Joy Duhon, Audubon's I CARE specialist when appropriate.

Mrs. C. White
